Dear Pastor,

My name is David Grice, and I pastor the Lighthouse Baptist Church in Grand Prairie, Texas. We started Lighthouse Baptist Church fifteen years ago, with a strong emphasis on Missions. I'm writing you concerning one of our missionaries, Bro. Vince LaRue. Bro. LaRue and his family are missionaries serving in Chile. They are coming home for a furlough soon, and that's why I'm writing to you.

I don't like to waste time or money. Stewardship is very important to me. For this reason, we sent Bro. Vince LaRue down to Chile without the "full financial support" needed to sustain a work. The reason... he wasn't starting a work in their first term. They were perfecting the language, assisting another missionary, working with multiple churches, evangelizing, street preaching, and learning the ins & outs of running a Spanish Bible Institute to train new preachers.

Now is the time to get to that "full financial support" needed to sustain a new work. I have been down to Chile to see all that is going on. We had opportunity to see, first-hand, the work in progress. It was exciting and encouraging to see what God is doing, and how He is using Bro. Vince in Southern Chile.

Preacher, please consider having Bro. LaRue in for a meeting. Let him present the ministry God has called him to. Prayerfully consider having a part in what God is doing down there in Southern Chile. Just like here, they will rent a place, then need chairs, tables, a pulpit, and supplies. Please have the LaRues in, with the prayer that God would burden your heart to support them, and provide the needed funds to maintain that support.

Sincerely,
