To Whom It May Concern:

Vince Larue, has been our current Web Designer for our local church for several years. Years ago, is when I first encountered Brother Larue, as a visiting missionary on deputation for Chile, here at our local church in Lancaster, California. Our congregation has been blessed in having Larue as one of our missionary friends. In our stages of infancy, Larue bestowed his wisdom in creating our online presence (our website avkingjames.org) & continues to offer his on-going technical support for our web design. Most importantly, Brother Larue has a sincere heart to minister & preach with the King James Bible to the people of Chile. Brother Larue has blessed our congregation as well, by preaching to our church via Skype correspondence, an innovative approach of Brother Larue to minister to the people of AV King James Baptist Church.

My background includes over 12 years of church ministry. As prior Youth Director, & now Pastor of a local King James, Bible-Believing, & Dispensational church, it is within my great pleasure to recommend Vince Larue for any assistance that he requests in the ministry, as I know this will be of valuable support to the Larue family, & especially for the people of Chile that need a King James Bible Believing missionary there. If my experience with Vince Larue is a good indication of how Brother Larue would minister in yours, supporting this missionary would be well worthwhile.

If I can be of any further assistance, or need to provide you with any further information, please do not hesitate to contact me at avkingjames@gmail.com or phone 661-429-1757.

Sincerely,

Randolph Gorski, B.D.
